Worlds Window Infrastructure & Logistics Pvt. Ltd. – ICD Loni started PnQ facility

Exim News Service

MUMBAI, Oct. 9

Worlds Window Infrastructure & Logistics Pvt. Ltd (WWILPL) – ICD Loni; a strategic alliance partner of Central Warehousing Corporation, has added another feather to its cap by providing Plant and Quarantine (PnQ) facility at terminal itself.

Earlier plant related cargo was being sent to Rangpuri, New Delhi for testing but now the facility is available at terminal itself and PnQ officer's team is present all the time for the necessary

documentation and assistance. It saves lots of time to customers and cargo would be despatched timely.

Recently, three containers of Black Matpe (pulses) commodity has been imported by M/s Premier Pulses Limited at ICD Loni and the same was cleared by PnQ officers and FSSAI department without any hassles and subsequently, got custom clearance successfully.

ICD Loni shows the commitment to efficiency and provides one window solution to its users. A couple of months back also, ICD Loni enabled upgraded version of E-filing system to facilitate

PnQ officer examines the goods along with CHA

the customers for performing various tasks online like making payments for various activities, tracking of shipments, submitting gate-in, gate-out, stuffing, de-stuffing requests, checking and maintaining PDAs, generating

real time reports and various other useful activities. This portal also offers various services to the trade partners of ICD Loni as well which include generating pendency reports, arrival and departure of containers, etc.
